Please use the bottom of this page to give us any other information which you think will help us know your child better and better meet your child's educational needs. Are there any special ways in which you feel the school can help him/her? Are there any personal characteristics which you would like to see encouraged or discouraged?

Is there anything you would like to speak to your child's teacher about that might help us to be more sensitive to your child's needs? If so, please call the school and arrangements will be made for the teacher to speak with you.
